**Annie Smith Peck : A Search for the Apex of America: High Mountain Climbing in Peru and Bolivia Including the Conquest of Huascarn, with Some Observations On the Country and People Below** before purchasing it in order to gage whether or not it would be worth my time, and all praised A Search for the Apex of America: High Mountain Climbing in Peru and Bolivia Including the Conquest of Huascarn, with Some Observations On the Country and People Below:

0 of 0 people found the following review helpful. ReviewBy Dean J. ScofieldGood for your library but slow read

mainly of historical interest in my opinion Good for a mountaineers library and in reference to competition to scale highest peaks in that era...especially re Hiram Bingham rivalry

This is a reproduction of a book published before 1923. This book may have occasional imperfections such as missing or blurred pages, poor pictures, errant marks, etc. that were either part of the original artifact, or were introduced by the scanning process. We believe this work is culturally important, and despite the imperfections, have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide. We appreciate your understanding of the imperfections in the preservation process, and hope you enjoy this valuable book.
