0 of 0 people found the following review helpful. Very informativeBy Rachel SchecterInformative book for children.

Written in easy to understand language and divided into interesting topics. Suggest reading to your child who is interested in far away places0 of 0 people found the following review helpful. Wow! What a magnificent tour this was of Antarctica!By Kindle CustomerI sure enjoyed this exciting tour even though It makes one feel very chilled when reading about their climate and temperatures being so so chilling! And love.y photos and information that those of us who. may not be so blessed to go sightsee in the normal way as some could. So, I am giving it five stars and recommending this for kids and up like me who is a senior citizen. I received this ebook for free and in return,here is my honest review. Super job Liam! By Angela0 of 0 people found the following review helpful. Great for kids!By Jennifer O CainMy 5 year old daughter and I enjoyed this book as she was hoping to learn about Antarctica. Mission accomplished! Thanks you for this thoughtfully written book that was informative and accessible for kids. Much appreciated!
