following review helpful. Good information, poor editing
By Siegfried Whitehead
We took this book with us to Argentina -- it was helpful. Very informative about history of Jewish communities, but poor editing (repetition of prior descriptions, for example) make reading this book less enjoyable than it should be.

history and travel
By Barbara Hudgins
More than half of this book is devoted to history and a fascinating history it is! I didn't know that there was an Inquisition in Peru where heretics were burned or that synagogues in St. Thomas predate those in the U.S. Frank gives practical info also such as the names and addresses of Jewish communities and synagogues throughout the region, kosher restaurants and preferred hotels. Good armchair reading even if you never visit Argentina or Cuba.

This is a practical, anecdotal, and adventurous journey including kosher restaurants, cafes, synagogues, and museums, plus cultural and heritage sites.

"...the book describes the fascinating roots of Jewish culture in the New World." -- South Florida Sun-Sentinel, August 14, 2005
"Ben Frank completely describes the Jewish presence and history south of the Rio Grande from Mexico, through Central America..." -- Gabriel Levenson, travel editor New York Jewish Week
"Frank has emerged as one of the most expert travel writers on Jewish communities and culture" -- Jewish News
"Frank is one of the most authoritative travel writers on Jewish communities and culture." -- Westchester Jewish Life
"It's rare these days to come across a travel book whose table of contents sparks genuine curiosity." -- Chicago Tribune, July 10, 2005
"Mr. Frank's books provides the Jewish traveler with virtually all the information needed for a visit." -- Pittsburgh Post-Gazette, November 6, 2005
"The authors latest in-depth tour through Latin America and the Caribbean provides both historical insight and useful travel tips." -- American Reference Books Manual
"This is an indispensable work." -- New York Jewish Week
"This volume and his other travel guides are perfect for the arm-chair traveler." -- Jewish World
"What makes Frank's books special is the way in which he makes them practical and interesting..." -- National Jewish Post and Opinion
From the Back Cover
While the European roots of American Jewish history are often explored, less discussed are the still-vital historic communities in Argentina, Brazil, Peru, Mexico, Costa Rica, and other Caribbean and Latin American countries. This is a tremendous work encompassing history, culture, and modern travel to such important sites as the oldest surviving synagogue in the Western Hemisphere, Mikve Israel in Curaao; the largest Jewish community in the Caribbean, in Puerto Rico; and the three synagogues in Havana, Cuba. A Travel Guide to the Jewish Caribbean and Latin America also includes all of the essential travel basics.
About the Author
Ben G. Frank, a journalist and a consultant to airlines and tourist offices, is president of the Frank Promotion Group. He has frequently traveled to Russia and has spent years researching this book. A member of numerous international press organizations, he has published articles in magazines and newspapers worldwide and is known as one of the most authoritative travel writers on Jewish communities and culture. Frank also is the author of A Travel Guide to Jewish Europe, published by Pelican.
