So, hoping I will return soon, I ordered it and have been pleased to learn so much more about our neighbor to the south- historically and culturally.0 of 0 people found the following review helpful. MEXICO'S HISTORY REVEALED.By RSFAny one spending any time in Mexico should read this excellent

history of the country. It is well written, easy to read and reveals a wonderful historical background of Mexico for the serious traveler to this beautiful country. 0 of 2 people found the following review helpful. Concise and interesting history
By L. Smith
This book has proven to be very interesting to our guests as they visit our new vacation home in Baja California, Mexico. They love browsing or reading it for insights into the country they are visiting.

A Traveller's History of Mexico offers a complete and expert history of the country from the earliest times right through to the present. It will be welcomed by all those who visit Mexico to see its stunning Aztec and other pre-conquest remains as well as by students studying the Spanish conquest and its effects. This is a rich and colorful story of a nation full of life and vigor with a many-layered cultural heritage. Illustrated with maps and line drawings, this handy paperback is fully indexed with a chronology of major events and a gazetteer cross-referenced to the main text.
