Carrie G. Ainsworth : A Trip to the Orient: A Voyage on the Steamer Ecuador (Classic Reprint) before purchasing it in order to gage whether or not it would be worth my time, and all praised A Trip to the Orient: A Voyage on the Steamer Ecuador (Classic Reprint):

Excerpt from *A Trip to the Orient: A Voyage on the Steamer Ecuador* This volume is the second of a series of ocean stories and will be followed by additional narratives of voyages to the Far East. The publishers desire to express their thanks for the courtesy of the Pacific Mail Steamship Company, which has furnished view of the Steamer "Ecuador" on which the writer journeyed for nearly six weeks and who records her appreciation of the unfailing attention and courtesy of the officers and attendants. Many of the illustrations are furnished through the co-operation and sympathetic interest of the editorial staff of the "Spirit of Mission."
