Has everything and good quality coated paper. 1 of 1 people found the following review helpful. Excellent map, clearly marked. By Roy G. Jones MD Excellent map for the island of Aruba and it gives me an excellent idea of the areas we will want to visit when we vacation there for the first time. 2 of 2 people found the following review helpful. Informative Map By Yolande Maarsen This map contains so much surprise information about Aruba. Even gas stations are listed. All the beaches, shipwrecks, diving locations as well as local landmarks.

Aruba at 1:28,000 on an indexed map from the Caribbean-based cartographer Rafal Kasprowski highlighting numerous diving sites and various places of interest, plus indexed street plans of Oranjestad and San Nicolas. Topography is shown by altitude colouring with spot heights; the area of the Arikok National Park is clearly marked. Road network indicates main roads and shows secondary roads and local tracks or footpaths. Recommended biking and hiking trails are highlighted. Symbols indicate various facilities and places of interest including beaches, sugar mills, petrol stations, etc. Along the coast numerous diving sites are marked. Latitude and longitude lines are marked

at 2 intervals. Map legend is in English. Also provided are indexed street plans of Oranjestad (including access to the island's international airport) and San Nicolas. One index covers both the main map and the street plans. Glossy paper. Printed on one side.
