Don't expect any big glossy inviting photos. It's a plain black-and-white summary. Low on entertainment value. If you really, truly only want a few facts in black and white and nothing more, this is fine. I bought this for a girl who has a thirst for traveling and seeing large cities but I don't think this will set her imagination on fire.2 of 2 people found the following review helpful. PIECE OF JUNKBy M. GreensideWhat a useless piece of junk. It should be entitled "Atlanta in three hours." Written in a very large font to take up more space than it deserves, this pamphlet (it is NOT a book) is useless. It list three three sights (!!!!!) on two pages. Is this a joke. I'll probably just tear out the pages and use them at the bottom of my bird cage.1 of 1 people found the following review helpful. The cover is pretty, but that's about itBy CustomerHuge font. Large margins. The cover is pretty, but that's about it. (Don't judge a book by it's cover.)
