Firestone : Atlas de Rutas Firestone: Argentina, Sur de Brasil, Chile, Paraguay, Uruguay (Spanish Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Atlas de Rutas Firestone: Argentina, Sur de Brasil, Chile, Paraguay, Uruguay (Spanish Edition):

2 of 2 people found the following review helpful. South American Road AtlasBy Susan J. FrenchThis road atlas is invaluable for driving in the Southern part of South America. The best maps are for Argentina and Argentine cities. The Chilean maps are not quite as good, but will at least get you to the town for which you are looking. E-mail and internet are non-existent in the boonies (and intermittent in Argentine cities) so internet devices will not work in all

rural areas, making a paper map a necessity unless one has a reliable GPS.
