Gitashenasi Geographical and Cartographic Institute : Atlas-e Gitashenasi-ye Ostanha-ye Iran before purchasing it in order to gage whether or not it would be worth my time, and all praised Atlas-e Gitashenasi-ye Ostanha-ye Iran:

This 200-page softcover book contains a wealth of information. It is a full-color road atlas, complete with mileage charts, prominent tourist attractions, an accommodation guide, and insight into prominent tourist attractions, complete with color photographs. The larger size makes the print on the maps easy to read. Text is entirely in Persian.
