**Moshe Brawer : Atlas of South America** before purchasing it in order to gage whether or not it would be worth my time, and all praised Atlas of South America:

The Atlas is divided into two parts: Part I presents a profile of the entire continent--its physical and natural resources, population, and a survey of the social and political history of the region. Part II consists of 14 chapters which are in-depth looks at: Argentina, Bolivia, Brazil, Chile, Colombia, Ecuador, Falklands, French Guiana, Guyana, Paraguay, Peru, Surinam, Uruguay and Venezuela.
