Rand McNally : Atlas of World History before purchasing it in order to gage whether or not it would be worth my time, and all praised Atlas of World History:

The new Rand McNally Atlas of World History presents the story of civilization in maps and authoritative text, making it a vital reference tool for all. *Inspire imagination and curiosity with the factual presentation of the development of the world. *Visualize the great turning points of our past with maps that graphically depict the scope of those events. *Examine humanity's gradual progress from isolated societies to a global community. *Achieve a strong perspective of historical events and their impact on the world.
