Roff Martin Smith : Australia: Journey Through A Timeless Land before purchasing it in order to gage whether or not it would be worth my time, and all praised Australia: Journey Through A Timeless Land:

2 of 2 people found the following review helpful. Beautiful photography and engaging explanationsBy Used to BakerI adore Australia and everything about it, so perhaps I am a bit biased when it comes to movies and texts about that exotic land, but I do think this book is a fantastic resource for those who love Australia.Full of National Geographic photography that beautifully captures the magic, the terror, the beauty, the mystery, and the isolation that is found across Australia, this books gives the reader the perfect amount of information, both in text and photography, about each area of the continent.Nothing is presented in too little, or too much, detail. It is just perfect. Absolutely perfect.0 of 0 people found the following review helpful. Makes me want to return to this great country againBy Thomas R. ThompsonFabulous book. Makes me want to return to this great country again.1 of 1 people found the following review helpful. Informative BookBy TonyTThis book gave a good overview of the history and status of each

Australian State. The pictures were excellent and complimented the text. A good read for someone who would like to learn more about the country.

Illustrates the history, culture, landscapes, wildlife, and maritime of the continent of Australia.
