DK Travel : Back Roads California (Eyewitness Travel Back Roads) before purchasing it in order to gage whether or not it would be worth my time, and all praised Back Roads California (Eyewitness Travel Back Roads):

0 of 0 people found the following review helpful. A Road Trip must haveBy David Evansan excellent guide for locals and tourist alike!I have lived in Cali for 10 years and these DK guides are fantastic!1 of 1 people found the following review helpful. Overall it's ok but the map is not that useful. It has the bigger streets and the ones ...By fridaBought the book for a road trip to California. Overall it's ok but the map is not that useful. It has the bigger streets and the ones they describe in the book - but not the smaller ones (as you would expect) so it wasn't that useful for us. A good map

and a more substantial travel book would do more for people who have their own ideas where to go to and which places to visit. 2 of 2 people found the following review helpful. Excellent guide with specific trip plans
By Jan Twardowski
This is my first introduction to this wonderful series. Specific and colorful, with plenty of maps and photos. Not overwhelming in detail on any particular site, but a good start for planning and research. I'll be buying more of these guides in future.

DK Eyewitness Travel Guide: Back Roads California driving vacation guide will take you via scenic routes to discover charming Californian towns, local restaurants, and intimate places to stay. Take a journey through the back roads of California to discover the area's real soul and charm. Twenty-four themed drives, each lasting one to five days, reveal breathtaking views, hidden gems, and authentic local experiences that can only be discovered by road. Each tour is bursting with insider knowledge and loaded with ideas for varied activities, from short walks and longer hikes to days on the beach or at a spa, to wine tours, cycling trips, and watersports. Meanwhile, the most friendly, best-value hotels and guesthouses, as well as restaurants specializing in regional produce, have been selected by expert authors. This guide is full-color throughout, with a pull-out map of the entire region for easy navigation between tours, and zip code information for use with a GPS device. All the practical information you could need is included, from road conditions and length of drive to parking information and opening hours. Discover the unexpected on your road trip with DK Eyewitness Travel Guide: Back Roads California.
Series Overview: For more than two decades, DK Eyewitness Travel Guides have helped travelers experience the world through the history, art, architecture, and culture of their destinations. Expert travel writers and researchers provide independent editorial advice, recommendations, and reviews. With guidebooks to hundreds of places around the globe available in print and digital formats, DK Eyewitness Travel Guides show travelers how they can discover more. DK Eyewitness Travel Guides: the most maps, photographs, and illustrations of any guide.

Eyewitness wins hands down * The Mail on Sunday *
About the Author
Christopher Baker is the Ohio Research Scholar in Integrated Sensor Systems at The Ohio State University. He has been actively engaged in radar system research since 1984 and is the author of over two hundred publications. Lee Foster is a veteran, award-winning travel photojournalist. His work has won eight Lowell Thomas Awards, the highest awards in travel journalism. His travel writing and photograph has appeared in almost all the major travel publications over the years. Lee delights in acquiring new worldwide travel content, operating from his home base in Berkeley, California and has several San Francisco-area writing/photo presentations at www.fostertravel.com. He has written and photographed several travel guidebooks on Northern California and has contributed worldwide photos to more than 225 Lonely Planet books. Lee lives in Berkeley, across the Bay from San Francisco.
