**Andi Marie Cantele : Backroad Bicycling in New Hampshire: 32 Scenic Rides Along Country Lanes in the Granite State** before purchasing it in order to gage whether or not it would be worth my time, and all praised Backroad Bicycling in New Hampshire: 32 Scenic Rides Along Country Lanes in the Granite State:

A guide to bicycling New Hampshire's most scenic backroads and byways, for road, mountain, and hybrid bikes. New Hampshire is blessed with diverse terrain that will appeal to all levels of cyclists. Challenging routes cut through the rugged Presidential Range while others explore the gentle Lakes Region area. Rural farms and historic villages line the roads of the Monadnock region and the Connecticut River. Beautiful seacoast rides can be found in the Portsmouth area. Andi Marie Cantele offers the reader the best of these rides from around the state, complete with mile-by-mile directions and clear, easy-to-follow maps. While other biking books have focused on off-road biking in the White Mountains or road touring in southern New Hampshire, no other book successfully puts it all together in a single cycling guide to the Granite State. 30 black-and-white photos, 25 maps

About the Author Andi Marie Cantele is a freelance writer and professional gardener who enjoys hiking, rowing and cycling. She is the author of *52 Weekends in Connecticut*, *Explorers Guide New Jersey*, *Explorers Guide Connecticut*, and cycling guides to Connecticut, New Hampshire, and western Massachusetts in *Countrymans Backroad Bicycling* series. Her work has also appeared in *Yankee Magazine*, *Bark* magazine, and *Best Places to Stay in New England*. She lives in Connecticut's Litchfield Hills region.
