Jeff Welsch, Sherry L. Moore : Backroads Byways of Montana: Drives, Day Trips Weekend Excursions (Backroads Byways) before purchasing it in order to gage whether or not it would be worth my time, and all praised Backroads Byways of Montana: Drives, Day Trips Weekend Excursions (Backroads Byways):

7 of 7 people found the following review helpful. "backroads" misleadingBy B. BatesThis is a very good "tour" book

if you plan to stay on the main roads of Montana. But - you can get the same information on the internet...with a little effort for free. There is very little about the roads themselves - more about where to eat and where to stay. Which is why I give it 3 stars for a tour book that is well written and informative. But - my definition of "backroads" is a little different. I was looking for information on the dirt roads that take you to places others might have missed...thus no information on the internet. And a state the size of Montana has so many possibilities, while this book limits itself to less than 15 such routes. Well written and useful for those in a station wagon full of kids. The title is misleading to me...but may just be what you are looking for. 3 of 3 people found the following review helpful. Great book for road travel in this state By Lawrence A. Walser Great book for road travel in this state. We followed several of the recommended trips. We took the gravel road in the southwest corner near Idaho and traveled 100 miles over 3-4 hours in the middle of nowhere and had the most enjoyable experiences of the year. I want to travel through more of the state on these back roads 3 of 3 people found the following review helpful. Backroads and byways of Montana By Vicki Case It tells me about the little towns, backroads of Montana. Then I can do little day drives to go enjoy.

With natives as your guides, this series leads you down the road less traveled. Montana offers the breathtaking landscapes of Glacier National Park and the Greater Yellowstone region, the mystical cowboy country of the high plains, and truly spectacular river valleys. Its cities and towns provide charm, personality, and hospitality, with classic eateries, quaint museums, and uniquely Montana activities. Welsch and Moore, your guides to Big Sky Country, share their favorite places both on and off the beaten track. About the series: Whether you need to get away for a weekend or longer, want to explore your home state or make plans for free time in an area you don't know well, take to the road with a Backroads Byways book. You'll discover the most interesting places to visit on and off the beaten path. Destinations will appeal to foodies, history buffs, families with kids, couples, adventurers, hikers, bikers in short, everyone. With itineraries appropriate for visits of differing durations and in different seasons, tips for comfortable accommodations, great food, and good shopping too, look to Backroads Byways for the most interesting and diverse short trips available.
