taking day trips in the area on weekends. We had an old book on day trips but we have used it until it is falling apart. We wanted a newer, more updated one so we bought "Backroads Byways of Texas" and we are enjoying it very much. It is very infomrative and descriptive. If you are an adventurous person who loves Texas and enjoys going on trips, even if just for the day, you will enjoy this book.5 of 5 people found the following review helpful.
