**Alex Robinson : Bahia Salvador (Footprint Focus)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Bahia Salvador (Footprint Focus):

5 of 5 people found the following review helpful. If you want this, just buy their whole Brazil bookBy TurduckenI am very disappointed, although I should have read the fine print on the description; don't make the same mistake. I am

planning a trip to Brazil where most but not all of my time will be spent in Salvador. Thus, I wanted a book that would have more about Bahia than your average comprehensive Brazil book. Turns out this book "has been taken directly from Footprint's Brazil Handbook." It shows, too; the section on food, for example, talks about how good the food in Rio and Sao Paulo is. For a dollar or two more, you could buy the entire Footprints Brazil book - or you could look for a guide that is actually Bahia-focused, not to mention longer.

Relax on one of Salvador's white-sand beaches and you will see the art ballet of capoeira, smell the rich spicy cooking of Bahia, and get the unmistakable feeling that you are in African Brazil. The homeland of Brazil's African heritage is like nowhere else in Brazil: carnivals sway to the rhythms of the drum troupe orchestras while churches are decorated with statues of black saints. Footprintfocus Bahia Salvador will take you from the cultural capital Salvador, along Bahia's beautiful coast, stopping off at an assortment of laid-back little towns and hedonistic party-cities on the way. Includes practical advice on getting to and around the region plus fascinating insights into the area's culture and history. Essentials section with practical advice on getting there and around. Highlights maps of the region so you know what not to miss. Comprehensive, up-to-date listings of where to eat, sleep and party. Detailed street maps for Salvador and other key towns. Slim enough to fit in your pocket. Loaded with advice and information on how to get around, this concise Footprintfocus guide will help you get the most out of Bahia and Salvador without weighing you down. The content of Footprintfocus Bahia Salvador guide has been extracted from Footprints Brazil Handbook.

About the Author Alex Robinson is a writer and photographer based in Brazil and the UK and has worked for numerous magazines, publishers and broadcasters, including Departures, Cond Nast, The Financial Times, Wanderlust, the Discovery Channel and the BBC.
