**Alex Robinson : Bahia: The Heart Of Brazil's Northeast (Bradt Travel Guide)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Bahia: The Heart Of Brazil's Northeast (Bradt Travel Guide):

0 of 0 people found the following review helpful. Overall useful book for travel to BahiaBy Eric GertnerOverall useful book for travel to Bahia. There is so much to see and do in the city of Salvador alone! Would have liked a little more

information about the historical sites within the city.

Bahia really has something for everyone powder-fine beaches and reef-ringed islands, waterfalls in the Diamond mountains of the arid sertão, and cobbled streets and pastel-painted houses in Salvador. Tourists are starting to discover a taste for spicy Bahian cuisine after watching displays of gymnastic capoeira or attempting the rhythms of ax-samba at the world's largest Mardi Gras carnival. Bradt's Bahia leads travellers to the Baroque splendour of the capital, Salvador, and relaxes at Trancosos tropical spas. Whether strolling along deserted beaches or wandering far from the beaten path to view exotic wildlife, visitors will find author Alex Robinson's meticulously researched Bahia an indispensable companion. It is the only English-language guidebook dedicated to this exciting, undiscovered destination.

'Bradt's pioneering new titles are filled with honest, sensitive and practical information that will set you on the right path.' Wanderlust About the Author Alex Robinson is an award-winning travel writer and photographer and the author of five guidebooks on Brazilian destinations. He lived in Brazil for four years and speaks fluent Portuguese.
