Berlitz Publishing : Berlitz Russian Phrase Book Dictionary before purchasing it in order to gage whether or not it would be worth my time, and all praised Berlitz Russian Phrase Book Dictionary:

2 of 3 people found the following review helpful. Five StarsBy LovemycatJust what I was looking for!4 of 13 people found the following review helpful. Whaaaaat The Hell....????By PubliusReduxI do not know how Berlitz manages to do it...but this is the fifth or sixth of their phrase books I have purchased over the years...and I still cannot find HALF the words or phrases I need/want to use when traveling in that country in their "phrase book"!!!!

A fresh, crisp new design re-launches this perennial bestseller. More user-friendly thanks to improved color-coding and new categories, this is the phrase book created by the people for the people.
