Mixed bag.By Michelle M.I like a lot of the phrases they included - they are the more useful and more commonly used, but not at all easy to access at a moment's notice. The organization/layout of it wasn't helpful when you're walking the streets and suddenly need to ask a question. I was constantly digging to try to find what I was looking for, which isn't great when you're trying to have an impromptu conversation or business exchange.5 of 5 people found the following review helpful. Spanish for traveling in SpainBy CharThis book is a tiny size, and covers all the basics for traveling. Most phrases have a pronunciation guide

underneath, which is invaluable if you're unfamiliar with the difference between Central/South American Spanish and Spain Spanish.. definitely worthwhile if you need to travel light, or don't have a lot of time to dedicate to studying the language. Light on the grammar, but full of necessary conversation.5 of 5 people found the following review helpful. Very useful specially when you may have smartphone app to translate ...By AJIT GOREVery useful specially when you may have smartphone app to translate Spanish to English but no internet/ Wi-Fi /data plan.You can just show what is written in Spanish they can direct you.

A fresh, crisp new design re-launches this perennial bestseller. More user-friendly thanks to improved color-coding and new categories, this is the phrase book created by the people for the people.
