2 of 2 people found the following review helpful. Delighted with Berlitz. By Amanda Stevenson Very nifty course. But from my experience BERLITZ and LIVING LANGUAGE are the best. 3 of 3 people found the following review helpful. One of the best. By B. Lund I used the Berlitz method years ago when I went to Germany and found it very helpful and this was back in the day before the CD audio companion. The Swedish lesson, with the accompanying CD makes it easy to learn at home or in my car. As I'll be moving to Sweden soon, this course has helped me immensely. 2 of 2 people found the following review helpful. great help! By Ana-Maria Theis great for day to day use. friendly, useful.

A fresh, crisp new design re-launches this perennial bestseller. More user-friendly thanks to improved color-coding, new categories and updated CD, this is the phrase book created by the people for the people.
