Worth the price just for the very good phonetic pronunciation guide for each Swedish word.6 of 6 people found the following review helpful. Berlitz Swedish Phrase Book and DictionaryBy Donna G. W.I was very pleased with this book. As an English speaker, the book was great in helping me pronounce Swedish words correctly and knowing the meaning of words. I found it very helpful.2 of 2 people found the following review helpful. Pocket-sized book.By Ford CountryThe description gave the size and yet when it arrived it was still smaller than I expected. This is truly a pocket-size book, so just be aware of that when buying it.

A fresh, crisp new design re-launches this perennial bestseller. More user-friendly thanks to improved color-coding and new categories, this is the phrase book created by the people for the people.
