the following review helpful. Great book! Loaded with useful information! By Donald Ozello I had the pleasure of meeting the author, Mr. Paul W. Papa, at a local author's event in Las Vegas, NV. Luck was on my side because I was seated next to him. When I saw his book we immediately started talking about bike riding and I had to have a copy of it. I loved "Best Bike Rides in Las Vegas" The information is easy to follow, each course is described in detail and the maps are spot on. This useful book is a motivational tool, hand guide and tour guide. It is useful for all levels of cyclist from beginner to ultra advanced. It can be utilized by Las Vegas residents and tourists to get the maximum fun from their rides and to discover new and exciting rides. It includes road rides and mountain bike trail rides of various intensities and distances to accommodate riders of all levels. The author's conversation style makes the reading friendly and inviting. I am going to buy additional copies, some to give as gifts and others to keep in the reception area of my office. I highly recommend this book for bike enthusiasts of all ages, abilities, riding experience and fitness levels. Pick up a copy and get excited about bike riding in Las Vegas.

Papa developed a fascination with the town, and all its wonders, while working for more than 15 years at several Las Vegas casinos. In his role as a security officer, Paul was the person who actually shut and locked the doors of the Sands Hotel and Casino for the final time. He eventually became a hotel investigator for a major strip casino, during which time he developed a love for writing true stories about uncommon events. Paul is the author of several books, including *It Happened in Las Vegas* (Globe Pequot Press), *It Happened in Wyoming* (Globe Pequot Press), *Haunted Las Vegas* (Globe Pequot Press), and *Discovering Vintage Las Vegas* (Globe Pequot Press).
