**Jason D. Martin : Best Climbs Red Rocks (Best Climbs Series)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Best Climbs Red Rocks (Best Climbs Series):

Best Climbs Red Rocks appeals specifically to traveling climbers and local climbers who want the best local climbing. Although the Best Climbs guides feature routes of all grades, the emphasis is on easy to moderate routes in the 5.6 to 5.10 range. The book will include nearly 200 featured routes with each section including climbing area trivia and

history in the form of short callouts, but the primary focus will be on the route selection and descriptions themselves. All routes will be shown clearly on detailed color photo topos, alongside stunning action photos and a contemporary design.
