Steven Barrett : Disneyland's Hidden Mickeys: A Field Guide to the Disneyland Resort's Best-Kept Secrets

before purchasing it in order to gauge whether or not it would be worth my time, and all praised Disneyland's Hidden Mickeys: A Field Guide to the Disneyland Resort's Best-Kept Secrets:

Camouflaged images of Mickey Mouse are concealed all around Disneyland's theme parks, hotels, and shopping and entertainment district. Author Barrett adds to the fun of finding them by turning the search into three scavenger hunts, complete with clues, hints, and points to be scored. You'll find scores of new Mickey sightings in this edition nearly 400 hidden Mickeys in all. Fun for all ages!
