S. Veijola, J. Germann Molz, Olli Pyyhtinen, E. Hockert, Alexander Grit, Jennie Germann Molz, Emily Hckert : Disruptive Tourism and its Untidy Guests: Alternative Ontologies for Future Hospitalities (Leisure Studies in a Global Era)

before purchasing it in order to gauge whether or not it would be worth my time, and all praised *Disruptive Tourism and its Untidy Guests: Alternative Ontologies for Future Hospitalities (Leisure Studies in a Global Era)*:

This book invokes the radical potentialities of 'untidiness' to envision alternative arrangements of social life and hospitality. Instead of trying to manage sustainability or tidy up tourist situations, the authors embrace the messiness of human relations and argue for more creative, embodied and ethical ontologies of tourism and mobility.

About the Author Soile Veijola is Professor of Cultural Studies of Tourism at MTI, University of Lapland, Finland. Jennie Germann Molz is Associate Professor of Sociology at College of the Holy Cross, USA. Olli Pyyhtinen is Professor of Sociology at the University of Tampere and Senior Lecturer in Sociology at the University of Turku, Finland.
