Helena Iriarte : Diverse Colombia (English and Spanish Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Diverse Colombia (English and Spanish Edition):

This is a practical and lightweight book filled with beautiful photographies from Colombia: its cities, culture, nature and people. Format 4.2x5.3 inches, comes inside a well-design box made craft cardboard so that you can keep as a treasure. Throughout the pages of this book you can appreciate the many manifestations of diversity that characterize Colombia. The infinite variety of colors and contrasts in Colombia's nature and the joy of its people are what make this country unique.
