All the illustrations and history each location was enough to get started but not thorough enough for some of the places. Really, it's more of an introduction to each site with very little historical input.2 of 2 people found the following review helpful. SmithThe DK Eyewitness Travel Guide series is one of favorite travel books - we have a whole collection of them and rely on them always - especially for historical significance information. The "4 days to spend in..." guides at the front are very helpful as we plan our trips, as those are the things we do not want to miss. I also appreciate the pictures and graphics very much.1 of 1 people found the following review helpful. Another great DK guidebookBy Naples GuyI find it much easier to decide whether I want to visit any attraction if I have an idea of what it looks like. The DK guides fulfill this function very well, and I found the Istanbul guide very valuable on my recent visit to that city. The guide is detailed and accurate, and allows me to decide on an informed basis which specific attractions I wish to visit.

DK Eyewitness Travel Guide: Istanbul will lead you straight to the best attractions this city has to offer. This fully updated guidebook includes 3-D cutaway illustrations, floor plans, and reconstructions of Istanbul's stunning architecture, plus maps of the key districts to explore on foot. There's even a chart showing the walking distances between major sights. DK Eyewitness Travel Guide: Istanbul covers this city's unforgettable sights in depth and comes complete with a pull-out city map that clearly marks the sights from the guidebook. The map has detailed street views of all the key areas, transportation maps, information on how to get around the city, and an easy-to-use street index. In this guide, you'll also find detailed listings of the best hotels, restaurants, bars, and shops for all budgets, plus insider tips on everything from where to find the best markets and nightspots to great attractions for children. With hundreds of photographs, illustrations, and maps, DK Eyewitness Travel Guide: Istanbul shows you what others only tell you.
