They do such a great job with providing history, culture and customs on top of the authentic local suggestions. This one is no exception! 0 of 0 people found the following review helpful. Good but not good info on survival guid pages. By Sean Spangler, CTPOI would not trust any of the historical stuff in this book but the maps and description are nice. A professional travel book should have proper conversions but this dose not this book is full of errors. 1 kilometer is not 1 mile it is 0.621371 of a mile
