Touring Club Italiano : Dolomites Touring Map TCI 2015 (English and Italian Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Dolomites Touring Map TCI 2015 (English and Italian Edition):

2 of 2 people found the following review helpful. "English and Italian Edition"? Not!By Jaguar SixThe promo on clearly states "English and Italian Edition". Not. It is in Italian. I can still use the map, but I would like to read the sidebar and features on the map which I cannot. It is misleading to prospective purchasers to say it is an English edition.
1 of 1 people found the following review helpful. Very good mapBy Miriano RavazzoloVery detailed and visually appealing map. However, to be able to fully use it one should know Italian, otherwise you would miss all the information printed around the map itself.
