Kasprowski Publisher : Dominica Street Map with Index 1:40,000 before purchasing it in order to gauge whether or not it would be worth my time, and all praised Dominica Street Map with Index 1:40,000:

0 of 0 people found the following review helpful. Great help for sightseeing! By Andy McGrail This map saved us a lot of confusion and from being lost. Worth every penny. I would recommend getting it laminated if possible. 1 of 1 people found the following review helpful. Essential for any traveler to Dominica By D. Raymond This map is essential for any traveler to Dominica. It needs to be updated, of course, but it's the best available. 0 of 0 people found the following review helpful. Very good overall, with a few significant flaws By Ati T Tislerics I wish I had this map on my last trip to Dominica! The level of detail looks impressive and the cartography appears to be of high quality. I'm looking forward to using it on my next trip there. Pros:- Roads and footpaths appear to be thoroughly and precisely mapped- Good inset maps of several urban areas, not just Roseau- Use of shading helps to interpret terrain Cons:- The Waitukubuli National Trail is unlabeled or missing entirely- Contour interval is 100 m, so terrain detail is lacking- Its large maybe larger than necessary, could get cumbersome- The labeling on the scale bar is incorrect, by a factor of 10,

and I couldnt find the contour interval stated anywhere on the map- A bit out of date (e.g., theres a bridge in Roseau missing from the map)- Not waterproof

This first and only complete road map with a place index of Dominica (Scale : 1 : 40000) renders all the island's known roads and streets with their names, pinpoints diving sites off the island, and provides insets and street indexes for the major urban areas: Roseau capital; Mero / St. Joseph; Wallhouse / Loubire; Lagon / Portsmouth / Glanvillia. *** The map is sold folded, measuring 6" x 8" (15 cm x 20 cm), and is designed for easy opening and refolding. Its full unfolded format is 29 1/4" x 48 1/2" (74 cm x 123 cm).
