is a well written account of the trip of a lifetime. What a great BIG fascinating book - Many thanks Janet Perry !!!! 0 of 0 people found the following review helpful. Round the world in 109 days By Priscilla A. Gaison For those who can't scrape up the price of a cruise round the world on the Queen Elizabeth 2, settle for the next best thing. Read Janet's tale of adventure, wining and dining, dancing, and sightseeing. Her descriptions of shipboard life and of ports of call as varied as Pago Pago, Taipei, Sri Lanka, Mumbai, Athens, Valencia, and Northampton will hold your interest from the time the ship sails out by the Statue of Liberty till it docks in Southampton. And it doesn't end there - she sails back to the U.S. on the newer Queen Mary 2. You too can live vicariously!

A personal account of the authors' 4-month world cruise on the Queen Elizabeth 2 to celebrate their 75th birthdays.

About the Author Janet Go has published four other books and worked as newspaper and magazine writer. Perry McGinnis was a millwright union administrator and occupational safety and health specialist.
