**E.Newbold Smith : Down Denmark Strait** before purchasing it in order to gage whether or not it would be worth my time, and all praised Down Denmark Strait:

But the memories that stick with me are sharp. This is both a sailor's story, an adventurer's story and a boy dreaming of either's story.A group of amateurs (with a wealthy patron) set out to take the boss's racing sailboat to the Arctic Circle. It's a good boat to begin with but they use their knowledge and his money to make it better. They create a fine vessel and go on a voyage few of us would dream of attempting. It ends up a marvelous tale of friendship and survival.1 of 1 people found the following review helpful. **SPLENDID HISTORY WOVEN INTO TRIP TO NORTH POLE BY YAUGHT.**By chb@bellatlantic.net**GOOD WRITING, VIVID PICTURES AND DESCRIPTIONS OF ARCTIC LIFE. WOULD LIKE TO MEET MR. SMITH!**
