Nicole Grace : Dreaming Bhutan: Journey in the Land of the Thunder Dragon before purchasing it in order to gage whether or not it would be worth my time, and all praised Dreaming Bhutan: Journey in the Land of the Thunder Dragon:

0 of 0 people found the following review helpful. Poorly produced images, uninspired contentBy KLPI was excited to find a photo book on Bhutan as there are few. Unfortunately the images in Dreaming Bhutan are poorly reproduced. Many photos almost look like they were taken on an old cell phone and printed by one of those online digital photo book companies. The content itself isn't incredibly unique nor does it capture the magnificent beauty of Bhutan's environment or the cultural richness of its people. I would not recommend this book, even for those desperate for a look into this hidden kingdom.0 of 0 people found the following review helpful. Five StarsBy kim ripley harttThe "AUM" of code to take one HOME! Dreaming Bhutan: Journey in the Land of the Thunder Dragon0 of 0 people found the following review helpful. Gorgeous Photography of a Hidden GemBy NicoleBeautiful photography with Buddhist inspired captions. Gives insight into a hidden gem. Very enlightening and would recommend to any one interested in meditation, spirituality, introspection, and with the goal of enlightenment.

"...didn't you ever want to know what's on the other side of the mountain?" --Lost HorizonOpen Dreaming Bhutan and find yourself transported into a magical Buddhist kingdom untouched by time. Accompanied by her guide, a friend and former Aide de Camp to the Royal Family, award-winning author Nicole Grace was allowed unusual access to monasteries, temples and other private domains within this ancient realm that she describes as "a cross between the mythical lands of Shangri-La and Brigadoon." Through her spare, poetic commentary, and the dreamlike photographs of her travels, readers will experience a rare journey into the Land of the Thunder Dragon. Dreaming Bhutan is Winner of the 2011 International Book Awards (Travel: Pictorial and Travel: Recreational) and the 2011 Paris Book

Festival (Photography/Art). Foreword provided by Her Majesty of Bhutan Ashi Kesang Choeden Wangchuck.
