Their expertise in both beer and European travel is on full display in this book, cataloging the best and most interesting pubs and beer destinations they

have come across. Having been to some of these watering holes - some famous, some off the beaten path - I can attest that they know their subject matter. This is well worth the read for anyone planning a beer-themed bucket-list tour of Europe, anyone traveling who might wish to just add a beer-themed location or three to their trip, or anyone just interested in learning more about the greatest of beverages and how it is enjoyed around the world. 2 of 2 people found the following review helpful. ... of northern Europe and it seems to provide some good tips and places to check out. By Derek Using this guide to help plan our beer tour of northern Europe and it seems to provide some good tips and places to check out. Living in DC we have come to know the Tupper's as local beer icons. It is great to see them sharing some of their experiences. I would like to see continuing editions with more cities, and also adding a map somewhere in the book would be a great addition to this. 0 of 0 people found the following review helpful. Essential European Travel Companion By saltedcaramel Just returned from Vienna -- Tupper's guide was super for advice on beer and food for two special evenings with friends. We are looking forward to more trips to Europe to visit the other cities in this essential European travel companion.

Title: Drinking In the Culture: Tupper's Guide to Exploring Great Beers in Europe Binding: Paperback Pub date: October 1, 2015 Like Beer? Love to travel? Discover 24 of Europe's best cities and towns for exploring and savoring the local beer and brewing culture Book description: Drinking In the Culture is the first ever guide to finding, not just good beer, but good beer places, in two dozen of the best cities in the world to drink local beer. From the universities of Sheffield, England, to the historic palaces of Prague, from the well-known beer mecca of Brussels to the little Bavarian gem of Passau, here are gardens, cellars, plazas and ancient halls, all featuring unique and superb local brews amid the rich history and culture of Europe. This is a book not just about beer or about travel, but about the rich connections between beers and the societies that brew them. For each of the 24 cities, this versatile guide offers: A quick orientation to the city as you arrive The history and culture of the city and how they have affected the local brewing culture A sixpack or more of the best places brewpubs, gardens, festivals, and breweriesto discover the beers of that city and region Suggestions for hotels and out-of-the-ordinary sights Side trips and excursions for more good beer Plus local advice, travel strategies, and tips on getting there, getting around, and staying safe In Drinking In the Culture, the Tupper's share what they have learned about European beer travel. For everyone from boots-on-the-ground beer geeks to armchair travelers, this book offers an anecdotal and affectionate view of the hundreds of rich and distinctive beer-drinking experiences Europe has to offer. The Tupper's DC's original beer geeks. --Washington City Paper "A well informed, well written, and highly personal look at drinking beer in two dozen of the greatest cities in Europe... What the Tupper's provide is invaluable recommendations based on over 40 years of travel in Europe. In each city the Tupper's give a history of brewing in that city and then give their recommendations for six of the best bars in that town. They also recommend museums, some of which are beer related... A book of personal recommendations from long time trusted friends... If you love beer and want to know where to go in Europe and what to drink and eat, you will find no better guides than Bob and Ellie Tupper." --Martin Morse Wooster, MidAtlantic Brewing News About the Author Bob and Ellie Tupper began taking notes on beer in 1979 and have amassed a database with over 28,000 entries. Their 35-year quest to find new beers has taken them all over the U.S. and through the best of Europe's brewing regions. Bob Tupper has conducted beer tastings and lectures for over 30 years, including a regular invitational series at Washington, DC's legendary Brickskeller. He has taught high school history and government for 46 years, while Ellie is a writer and editor for an international scientific society. In Drinking In the Culture, the Tupper's share their experience, anecdotes, and practical advice gleaned from years of traveling, tasting beers, and talking with some of the best brewers in the world.
