Terry Carter, Lara Dunston, Olivia Pozzan : Dubai Encounter before purchasing it in order to gauge whether or not it would be worth my time, and all praised Dubai Encounter:

0 of 5 people found the following review helpful. Great! By Customer Lonely planet is a great option when you are going to somewhere you do not know. 2 of 2 people found the following review helpful. Concise, but no advice for women! By Stine80 This is a great little book to carry around town and will give you all the details of the most interesting sites in the main areas of Dubai. However, there was very little advice and guidance on the culture differences to expect ... as a woman, am I to assume that I should behave and dress as I would in Europe or the US? The answer, as I have discovered from other sources is, of course, 'No'. Although Dubai is arguably the most 'Western'

country in the ME, due attention should be given to the differences necessary to prevent causing offense. In my mind, this is an oversight I did not expect from LP. This is the first time I have purchased the 'Encounter' series (I was waiting for the Sep 2010 Dubai full LP guide to be available), and probably the last - it only tells a partial story. 3 of 6 people found the following review helpful. Ready to Go! By Eudora Because my son accepted an assignment in Dubai, I have been reading all I can find. Lonely Planet's Dubai Encounter has by far the most accurate information I've found, at least as I've compared notes with my son. It is well written, well organized, compact. I even got to tell my son the location of a recommended Mexican restaurant. --Not so important, in the scheme of high finance, but when he wants an enchilada, he cannot go for it.

What Will Your Dubai Encounter Be? Skiing on the world's first indoor black run
Commissioning a special gold ring at a market price, BR
Spending hours doing nothing at a Jumeirah beach resort
Kicking back with a beer, a sea breeze and a view of the Gulf at sunset
Reclining on cushions and smoking sheesha
Clearing your head in the Arabian desert
Discover Twice the City in Half the Time
Navigate easily with a fully indexed street map plus detailed neighborhood maps
Our discerning author recommends the very best in shopping, dining, clubbing and relaxing
Take the hassle out of daily planning with unique thematic itineraries
Go straight to the source: cultural highlights from the founder of the Al Bastakiya Art Fair, shopping hints from an antique gallery owner
