This savvy city guide includes a 64-page insider guide, compass, and PopOut maps to help you travel intelligently around Duabi. This guide features mosques, museums, galleries, zoos, parks, and beaches with practical information on getting around and respecting local customs. Lively reviews cover a range of hotels, from the world's only seven-star hotel to more modest establishments, and a wide range of eateries. The guide also offers information about excellent shopping areas, from designer stores to jewelry shops in the traditional Asouks. It provides listings of entertainment venues and sporting facilities, plus a special feature on the Dubai World Cup, the world's richest horse race. Bound in durable, flexible gunmetal-gray and black plastic, with colorful photos throughout, these pocket books stand up to frequent use on-the-go and have tremendous visual appeal.
