**Explorer Publishing and Distribution : Dubai Mini Map (Mini Maps)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Dubai Mini Map (Mini Maps):

The Dubai Mini Map is small enough to fit in a shirt pocket, but once unfolded it proves to be a huge help for finding your way around this ever-changing city. There's a Dubai overview map on one side and detailed close-up views of the city's main areas on the other, making this miniature marvel a must for tourists, residents and visitors. Area names, road names, key landmarks and major attractions are all marked on the maps, plus there's a directory giving the locations of shopping malls, five-star hotels, beaches, parks, museums, hospitals, and embassies. The maps also show the locations of Dubai's forthcoming developments. Grab a copy of the Dubai Mini Map and make sure you never get lost again.
