**From Explorer Publishing : Dubai Mini Visitors Guide (Explorer Mini Visitors Guides)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Dubai Mini Visitors Guide (Explorer Mini Visitors Guides):

0 of 0 people found the following review helpful. Disappointing - I wouldn't buy it again!By Gary RobertsDisappointing size. Why the publisher attempted to squeeze information down into a pocket guide is impossible to know. Does not work well.

From the team responsible for the best-selling Dubai Residents' Guides comes this indispensable pocket guide to an unforgettable city. Covering everything from sports clubs and spas to markets and malls, with plenty of practical information in between and a handy pull-out map, this is a must-have for making the most of your time in Dubai.
