Explorer Publishing : Dubai Red-tape Explorer before purchasing it in order to gauge whether or not it would be worth my time, and all praised Dubai Red-tape Explorer:

Explains how to rent or buy a home, get a mobile phone or driving licence, find a school, open a bank account and other details of life in Dubai. It features sections on doing business, getting married, connecting with utilities, and obtaining visas. A thorough directory lists embassies, hotels and many other services with phone numbers.

From the PublisherThe Dubai Red-Tape Explorer is a comprehensive instruction manual invaluable to anyone living and working in Dubai. The book includes 100 easy-to-follow, step-by-step procedures covering all aspects of daily life.
