Dubai, the extravagant commercial and trade center of the Near East, hub for goods, finances, and service for the Mideast, and glittering desert jewel known for its many spectacular construction projects: From the famous landmark of the city, the Burj al Arab, one of the most luxurious hotels of the world, to Emirates Tower, Palm Islands, Hydropolis, the Dubai Mall, and several other attractions. This photographic celebration of Dubai features glorious full-color photos of the stunning life of the city. The 2 CDs included feature both traditional and modern Arabic music that is part of the appeal of this unique and beautiful destination.
