Explorer Publishing : Dubai Street Atlas Jumbo before purchasing it in order to gauge whether or not it would be worth my time, and all praised Dubai Street Atlas Jumbo:

This large scale street atlas features a comprehensive A to Z of Dubai's ever-growing road network, with a thorough index giving the exact location of every street, every hotel, every shopping centre, every landmark, and every major residential and commercial building. Each map spread features a satellite image of the featured area on one page, opposite a detailed vector map of the same area.
