Alistair Mackenzie : Dubai Street Map Explorer before purchasing it in order to gauge whether or not it would be worth my time, and all praised Dubai Street Map Explorer:

This is a detailed street atlas of Dubai with street and building detail for the urbanized areas at a scale of 1:15000 on 70 pages. Streets are named, property boundaries are shown, land use is identified and many public and commercial facilities are named. It provides a complete index to streets and buildings. There is a quick reference locator for schools, banks, hotels, government offices and many others.

From the PublisherFind your way effortlessly through the streets of Dubai with this, the first ever detailed and indexed street guide. Now, you'll never be lost again! An absolute essential for every home and car, the Street Map Explorer is a fully cross-referenced and indexed street atlas with map pages of concise street names and numbers. A quick reference section of popular locations and public facilities topped with an extensive index allows easy access to locations and the most convenient routes.
