**Explorer Publishing and Distribution : Dubai Tourist Map: Dxb\_tou\_1 (Tourist Maps)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Dubai Tourist Map: Dxb\_tou\_1 (Tourist Maps):

The Dubai Tourist Map may be small enough to fit in your pocket, but once unfolded it covers everything there is to see and do in Dubai, including cultural experiences, shopping, parks and beaches, landmarks, attractions,

entertainment and dining experiences. There's a Dubai overview map on one side highlighting the best places to visit including museums, art galleries, hotels, water parks, amusement centres, shopping malls, souks and markets, landmarks, restaurants with a view and much more. On the otherside you will find a guide to all things you need to know about Dubai, from visas, getting around, currency, language, in an emergency etc. Area names, road names, key landmarks and major attractions are marked on the maps, plus there's a directory giving the locations of hotels, attractions, museums, shopping centres and more.
