The highly successful "Globetrotter Travel Series", which includes Travel Guides, Maps and Road Atlases, presently covers more than 80 destinations worldwide. The handy pocket-size guide is packed with useful information, tips and recommendations, accompanied by colour photographs, charts and maps for the first-time traveller who wants to

experience the major highlights that Dubai has to offer. This travel book surpasses other guides in that it incorporates essential information in an easy-to-carry and easy-to-read format that is attractive and useful at the same time. It provides a visitor with an invaluable introduction to Dubai by concisely highlighting the cities' 'must see' areas in a practical and user-friendly format, thus encouraging the tourist to make the most of his/her available time. All the essential information you need to get around an unfamiliar city is compacted into useful and practical 'At-a-Glance' sections at the end of each chapter. The fold-out map of Dubai is ideal for tourists and visitors. In addition to the main map of Greater Dubai, it features 1 detailed area map and 4 town plans.
