Judith D Mercier : Duck: An Outer Banks Village before purchasing it in order to gage whether or not it would be worth my time, and all praised Duck: An Outer Banks Village:

0 of 0 people found the following review helpful. Dun read about Duck, NCBy SwellsFun read for anyone that has visited Duck and looking for some nostalgia.0 of 0 people found the following review helpful. DuckBy H. BeloteHow

a small town on The Outer Banks grew to be a tourist destination! The vision for this town has been the same for almost ever! 0 of 0 people found the following review helpful. good book. By Shoshannah Roy Fountain The book served its purpose. It is a wonderful piece of history that I used for my English class. I got an "A".

Twenty years ago, Duck, North Carolina, was pretty much the way it was a century ago -- a remote fishing and hunting village named for the migratory waterfowl that clouded its skies annually. *Duck: An Outer Banks Village* attempts to reclaim part of that place and to preserve what presumably will be forgotten once the few remaining old-timers are no longer around to tell the village's stories. The story of Duck illustrates how the momentum of development can irrevocably alter a community's autonomy, anonymity, and sense of privacy.

About the Author Judith Mercier has an MFA from Old Dominion University's creative writing program. She has published articles, profiles, and short fiction in local and regional magazines and journals and is the co-editor of *Battle Cries on the Home Front: Violence in the Military Family*. She lives in Newport News, Virginia, where she teaches at Christopher Newport University.
