**Whitney Miller : East Lansing: Collegeville Revisited (MI) (Images of America)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised East Lansing: Collegeville Revisited (MI) (Images of America):

0 of 0 people found the following review helpful. If you are a Spartan at heart...By mattI spent many a year in East Lansing as a student and am always happy to return. This book is more than a trip down my own memory lane, since it begins in the 1800s. Although a slim book, it is PACKED with great historic photos of high quality, maps and an accurate historical overview. I personally like it for the photos, but the text is also worth the price. A few other books

of interest may include Arrogance and Scheming in the Big Ten: Michigan State's Quest for Membership and Michigan's Powerful Opposition, MSU Campus - Buildings, Places, Spaces: Architecture and the Campus Park of Michigan State University and Lansing: City on the Grand; 1836-1939 (Images of America).<sup>2</sup> of 2 people found the following review helpful. Great look at the history of East Lansing By James V. Maclean If you're a former MSU student or a resident of East Lansing it is great fun walking down memory lane with this book.

The modern city of East Lansing, Michigan is a thriving community of 46,000 people located just a few miles from the state capital building in Lansing. Originally a crossroads of Indian trails and encampments, the first modern development at the site was the Agriculture College of the State of Michigan. Founded in 1855, it later became Michigan State University. A surrounding community soon sprang up as a result of the college's establishment and growth. First named Collegeville, this community organized, petitioned for, and received a city charter from the state in 1907. The city and the college still share a symbiotic relationship, but they have developed into two diverse and distinct communities. This pictorial history presents images of the town as it originated and grew, in less than 100 years, into one of Michigan's most interesting cities.

About the Author Whitney Miller, University Archivist at Michigan State University, has compiled a collection of historical images documenting the social, business, religious, and municipal activities of East Lansing and her people. As East Lansing prepares to celebrate its centennial anniversary, residents old and new will enjoy remembering and learning about the history of their community in this fascinating chronicle.
