From Thomas Cook Publishing : Eastern European 12-language Phrasebook: Bulgarian, Croatian, Czech, Estonian, Hungarian, Latvian, Lithuanian, Polish, Romanian, Russian, Slovenian and Ukranian before purchasing it in order to gage whether or not it would be worth my time, and all praised Eastern European 12-language Phrasebook: Bulgarian, Croatian, Czech, Estonian, Hungarian, Latvian, Lithuanian, Polish, Romanian, Russian, Slovenian and Ukranian:

2 of 2 people found the following review helpful. Good general dictionary
By shawn carraher
I regularly travel in Eastern Europe and have found this book to be useful for most of the places that I have gone. While I would currently recommend an electronic dictionary for most of the languages covered - when an electronic dictionary is not available then this is the next best thing. I originally purchased the book when going to teach in Ukraine on a Fulbright Fellowship and then also used it on two Fulbright trips to Latvia. I didn't take it with me the last time that I went to Poland (last month) but typically I would. For parents with young children I would recommend this as a book to expose children to a few foreign phrases and words that children typically aren't going to get on Sesame Street. It can be good for cognitive development.
