Planning a trip next year and this is a wonderful easy atlas to follow of Great Britain By Carole Sue Planning a trip next year and this is a wonderful easy atlas to follow of Great Britain. A bit large for taking with us but I will study it before we leave and make sure to highlight must see areas! Well worth it.

A4 format atlas providing giant scale mapping, at 2.3 miles to one inch. It features large print names place names and index, top 300 AA-inspected caravan and camping sites, over 220 service areas, and updated speed cameras with speed limits. This A4 format atlas provides giant scale mapping and type throughout, making it very easy to use. Each

page has been titled with its geographical location so you can turn to the page you need more easily. Static speed camera locations with speed limits are pinpointed. Wide minor roads (more than and less than 4m wide), National Trust, English, and World Heritage sites, crematorium, and other hard-to-find places are also shown. There is also a full-color admin map showing all the latest unitary authority areas and a route-planning map. The paper in this atlas is produced from environmentally sustainable resources.
