2 of 2 people found the following review helpful. Good for quick road trip referenceBy SteveinSCDefinitely well laminated and durable. The only thing I don't like is where the folds are they have the map cut with about 1/8 to 1/4 inch gap on each of the six blocks. Works good for quick reference on road trips - definitely not for detailed local driving.0 of 0 people found the following review helpful. Four StarsBy CustomerJust wish it was larger since I mostly use them for planning routes.0 of 0 people found the following review helpful. Five StarsBy George PurvesThanks
